THE SECRETARY GENERAL

Ref.: AS 8/13.3.38 Confidential

9 September 2022

Mr. Nur Isnin Istiartono
Acting Director General of Civil Aviation
Directorate General of Civil Aviation
Ministry of Transportation
Jl. Medan Merdeka Barat No. 8
Jakarta 10110
Indonesia
E-mail: dkp@dephub.go.id

Dear Mr. Nur Isnin Istiartono,

I am pleased to inform you that the International Civil Aviation Organization (ICAO) has accorded the Politeknik Penerbangan Indonesia Curug (PPIC) in Jakarta, Indonesia, the status of an ICAO Aviation Security Training Centre (ASTC). The certificate granting the PPIC as an ICAO ASTC is enclosed.

As you may be aware, in order to ensure that your training centre meets the ICAO ASTC General Requirements, active coordination has taken place between ICAO Headquarters, the ICAO Regional Office in Bangkok, and your training centre. The evaluation was successfully conducted from 23 to 24 June 2022, providing clear evidence that your training centre is ready to contribute to the ICAO global aviation security training programme.

An ICAO ASTC recognition provides assurances that a training centre has fully demonstrated to ICAO that it has the administrative, operational and infrastructure capabilities to implement and sustain national and regional aviation security training programmes.

The PPIC has demonstrated the capacity to meet needs for training in the Asia and Pacific Region and to contribute substantially to the development and improvement of aviation security training, complementing the overall efforts of ICAO's ASTC global network.

I offer my congratulations to the PPIC for achieving this important recognition as an ICAO ASTC.

Yours sincerely,

Juan Carlos Salazar

Enclosure:

ICAO ASTC Certificate

cc: Representative of Indonesia to ICAO
ICAO Regional Director, Bangkok

ICAO

SECURITY AND FACILITATION

This is to certify that the

Politeknik Penerbangan Indonesia Curug (PPIC)

in Jakarta, Indonesia, has been accorded the status of

ICAO Aviation Security Training Centre

with the objective of establishing a training facility of excellence in the Asia and Pacific Region by providing a wide range of training courses and cooperating with other ICAO Aviation Security Training Centres in order to enhance the implementation of Annex 17 to the Convention on International Civil Aviation.

9 September 2022

Secretary General
